### Footnotes:

<sup>1/</sup> The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.

<sup>2/</sup> Once qualified as a committee, a major donor or independent expenditure committee must file a semi-annual statement for each six-month period in which **any** contributions or independent expenditures are made.

<sup>3/</sup> A major donor or independent expenditure committee must file a late contribution or late independent expenditure report if contributions or independent expenditures totaling \$1,000 or more are made to support or oppose a candidate or ballot measure during the 16-day period prior to the candidate's or measure's election. Contact the FPPC for specific requirements.

### Additional Notes:

- Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, there is no provision in the law for extending a filing deadline. Late statements are subject to a \$10 per day late fine.
- All statements are public documents.
- If contributions or independent expenditures are made to support or oppose state candidates or committees, different filing requirements may apply.
